WHAT IS SEX ADDICTS ANONYMOUS?

Sex Addicts Anonymous is a fellowship of men and women who share their experience, strength and hope with each other so they may overcome their sexual addiction and help others recover from sexual addiction or dependency.

Membership is open to all who share a desire to stop addictive sexual behavior. There is no other requirement.

Our common goals are to become sexually healthy and to help other sex addicts achieve freedom from compulsive sexual behavior.

SAA is supported through voluntary contributions from members.

We are not affiliated with any other twelve-step programs, nor are we a part of any other organization. We do not support, endorse, or oppose outside causes or issues.

Sex Addicts Anonymous is a spiritual program based on the principles and traditions of Alcoholics Anonymous. We are grateful to AA for this gift which makes our recovery possible.
